

# Inclusive, Resilient and Sustainable Economic Growth Brunei Darussalam Perspective

1 June - 2 July 2022

9 am - 5 pm

International Convention Centre  
Berakas, Brunei Darussalam

BRUNEI  
MID-YEAR CONFERENCE AND EXHIBITION  
MYCE 2022

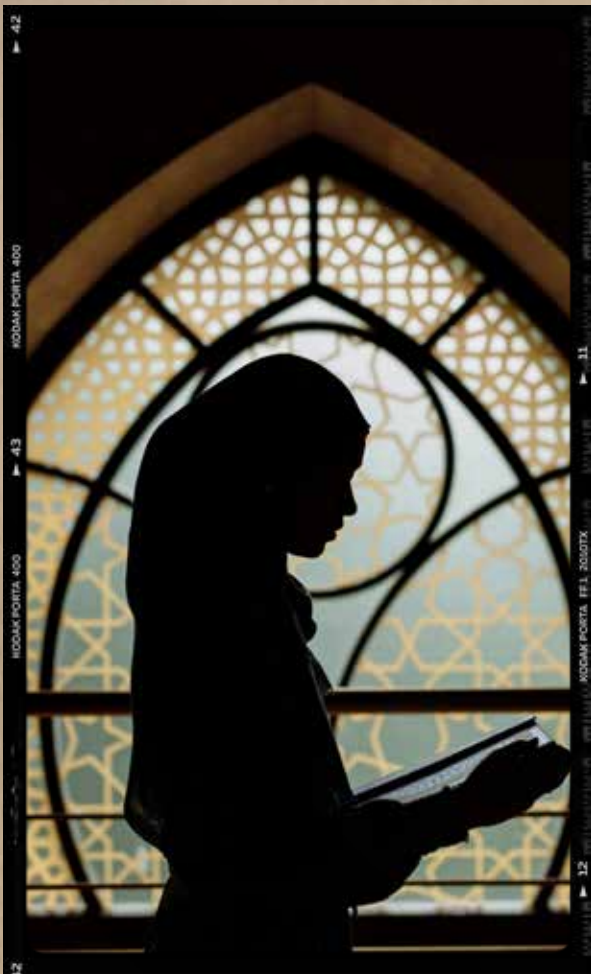

**Brunei Mid-Year Conference & Exhibition (MYCE) is an annual nationwide event that brings together industry leaders and key experts to tackle significant issues, providing actionable solutions & uniting our community over various industry sectors.**

The pinnacle of MYCE is established in the combination of having two impactful components, a conference & an exhibition, enabling the ability to cover a vast range of topics and the presentations of innovative products & services, ultimately driving a vital role in positively impacting the future of Brunei Darussalam's economic growth.

This June, MYCE sets its focus in the areas of Islamic, Digital Technology, Energy, Climate Change & Economy. This 5-week event will run a series of conferences and exhibitions every week to promote knowledge sharing and increase business activities in various sectors.

To promote knowledge sharing, brainstorming, sharing of new discoveries in various fields and increasing networking and business activities among experts and entrepreneurs from within and outside the country, which is hoped to contribute significantly to economic growth.

## Islamic

1st – 4th June 2022

With Malay Islamic Monarchy as Brunei Darussalam's state philosophy, the teaching of Islam plays an important role within the administrative system of the country, on top of shaping the culture and the country's way of life.

Therefore, themes revolving around the teaching of Islam are very relevant to be featured in the upcoming Brunei MYOE 2022

## Digital Technology

8th – 11th June 2022

The Fourth Industrial Revolution not only affects a society's way of life but it also creates opportunities for entrepreneurs.

In line with Brunei Darussalam's efforts to achieve a digital transformation, focus should be given to the cultivation and application of digital technology in the community, as well as promoting business opportunities in the digital technology sector.

## Energy

15th – 18th June 2022

Brunei Darussalam has achieved success in the oil and gas sector for more than 90 years. It demonstrates the country's experience and technical expertise in the field of exploration, drilling and extraction, processing and production of oil and gas.

The challenges and strategies of oil and gas-producing countries can be shared and studied for the development of a clean and sustainable energy source.

## Climate Change

22nd – 25th June 2022

Brunei Darussalam is no exception to being impacted by the effects of climate change as the rest of the world - believing that the challenges posed by climate change demand urgent, decisive and concerted global action.

As a small, coastal area with a tropical equatorial climate, vulnerability assessments have shown that the country has medium to high climate change exposure.

## Economy

28th June – 2nd July 2022

Economy Week focuses on sustainable economic growth and to transition Brunei's Economy towards Wawasan Brunei 2035.

## Past Highlights

### Solar Energy Tours

The tour was organised by the Ministry of Energy with the support of Mitsubishi Corporation Brunei, Brunei Shell Petroleum Sdn Bhd and Green Brunei with the theme 'Energy Transition: Towards a Sustainable Future', the tour aimed to raise awareness and understanding of renewable energy technologies in Brunei Darussalam.

### Cipta 2021 Seminar Series

The CIPTA 2021 Seminar Series, which is the first of its kind, is taking place for 3 days until the 20th of June in conjunction with the CIPTA Award 2021 organised by Universiti Teknologi Brunei, UTB in partnership with Brunei LNG Sendirian Berhad.

## Cyber Battle: Capture The Flag 2021 Competition

Cyber Battle: Capture the Flag (CTF) is a cyber security competition highlighting the importance of cyber security and the increasing need for information security specialists in Brunei Darussalam.

Cash prizes of \$3500, \$2500 and \$1500 for the top 3 winners and a score bonus of \$2500, which was awarded to the first team that reached the designated score.

## Brunei Darussalam Islamic Capital Market (BICAM) Conference 2021

Among of the objectives of the conference were to discuss relevant issues and challenges in the development of Islamic capital market especially in the context of Brunei Darussalam and the strategies pertinent to promote the resiliency, sustainability and inclusivity of an Islamic capital market ecosystem.

## Brunei Darussalam Conference On Forest "Forests And Biodiversity: Unveiling Its Economic Potential"

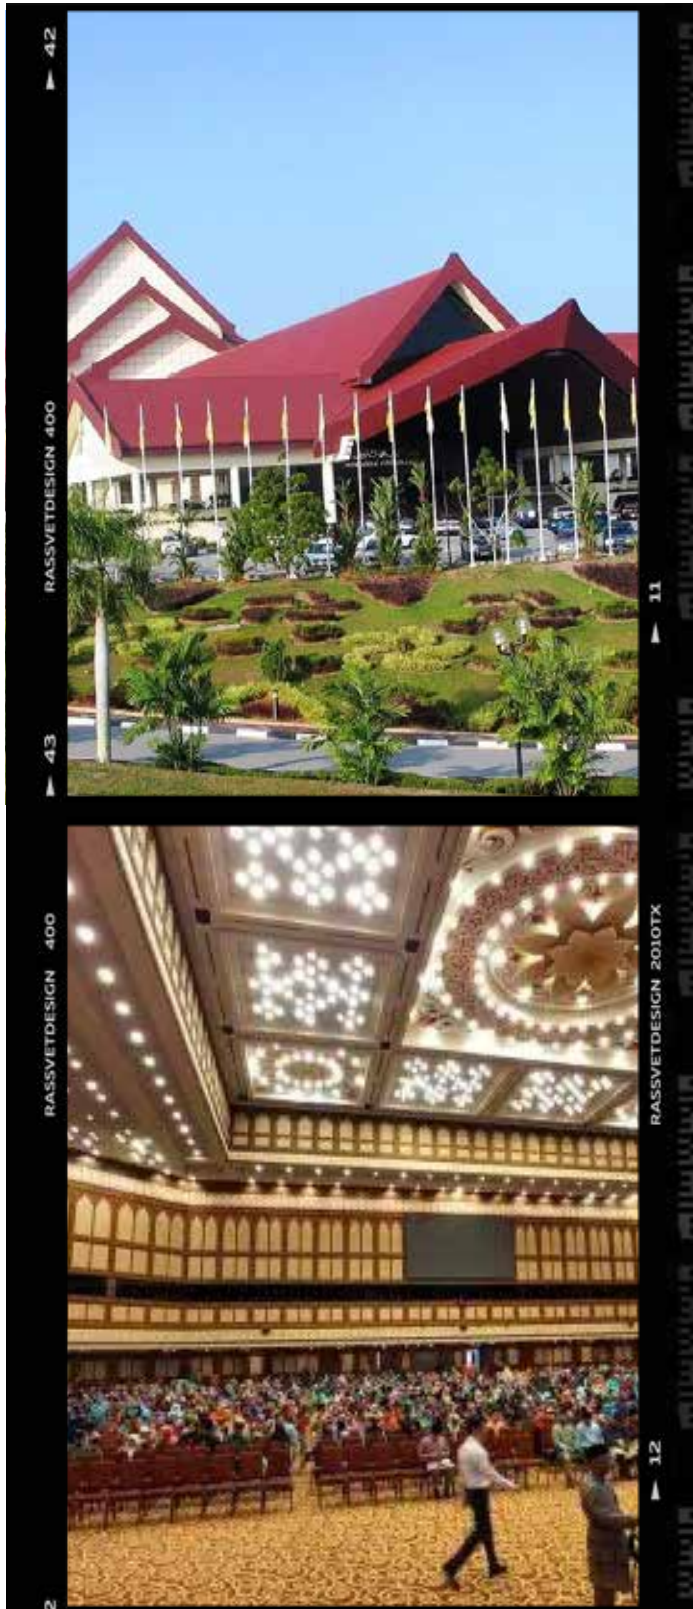

This conference explored the opportunities for green economic growth through the commercialisation of forest biodiversity such as downstream timber industry, eco-tourism and more. It aimed to create R&D opportunities in forestry, biodiversity and conservation and acted as a platform to share information and success stories with the public.
